

CARE AND MAINTENANCE

Push Button Bottle Filler Tap

B&M SKU: ID02179P25 Idral code: 02179P25

Routine care

- Wash exposed surfaces with soap and water, then wipe with a soft cloth.
- Avoid aggressive cleaners, abrasive pads and solvents that may damage the finish.
- Check accessible connections and moving parts regularly. Replace damaged seals or worn components with compatible parts.
- Keep the drinking outlet clean and unobstructed. If shut-off or flow adjustment is unreliable, isolate the supply and arrange service.

Service

Use compatible replacement parts. Isolate the water supply before servicing a connected water fitting.
