

CARE AND MAINTENANCE

Pop Up Basin Waste with Overflow

B&M SKU: ID0418 Idral code: 0418

Routine care

- Wash exposed surfaces with soap and water, then wipe with a soft cloth.
- Avoid aggressive cleaners, abrasive pads and solvents that may damage the finish.
- Check accessible connections and moving parts regularly. Replace damaged seals or worn components with compatible parts.
- Remove debris from the drain regularly. Support a trap or waste before dismantling, retain its seals and leak-test after reassembly.

Service

Use compatible replacement parts. Isolate the water supply before servicing a connected water fitting.
