

CARE AND MAINTENANCE

Flow Limiter Fitting 9 L/min

B&M SKU: ID09035/1-9 Idral code: 09035/1-9

Routine care

- Wash exposed surfaces with soap and water, then wipe with a soft cloth.
- Avoid aggressive cleaners, abrasive pads and solvents that may damage the finish.
- Check accessible connections and moving parts regularly. Replace damaged seals or worn components with compatible parts.
- If flow falls unexpectedly, isolate and depressurize before inspection. Remove debris carefully and refit with sound seals.

Service

Use compatible replacement parts. Isolate the water supply before servicing a connected water fitting.
