

CARE AND MAINTENANCE

M24 Flow Limiting Kit

B&M SKU: IDKT02LD Idral code: KT02LD

Routine care

- Clean the outlet gently with water and a soft cloth. Avoid abrasives and aggressive chemicals.
- If the flow falls, remove the compatible aerator with its matching key and rinse away debris.
- Inspect the seal before refitting. Replace damaged parts and avoid forcing the plastic insert or key.

Service

Use compatible replacement parts. Isolate the water supply before servicing a connected water fitting.
